PV MANUFACTURING IN EUROPE CONFERENCE

19 May 2017

• BIP, Rue Royale 2-4, 1000 Brussels, Belgium •

08:30 REGISTRATION

09:00 CONFERENCE OPENING

Marko Topič, ETIP PV Chairman

SESSION I: A Global and European Overview of PV Markets and Industry

Chair: *Gaëtan Masson, ETIP PV Vice-Chairman*

09:15 Solar Photovoltaics – A driver for decarbonisation and where it is manufactured

Arnulf Jäger-Waldau, European Commission JRC

Implementation Plan of the PV Temporary Working Group

Christoph Hünnekes, PV TWG Chairman

100 % Renewables in Europe

Christian Breyer, LUT

Global PV Market and Industry status

Gaëtan Masson, Becquerel Institute, ETIP PV Vice-Chairman

10:30 Q&A

10:45 COFFEE BREAK

SESSION II: PV R&D and Technology Status

Chair: *Marko Topič, ETIP PV Chairman*

11:15 International Technology Roadmap for Photovoltaics (ITRPV)

Axel Metz, ITRPV

Silicon Solar Cells – Current Production and Future Concepts

Martin Hermle, Fraunhofer ISE

Next generation wafers

Stefan Reber, Nexwafe

C3PV – From Space Solar Cells to CPV Systems

Gerhard Strobl, AZUR SPACE Solar Power

12:15 R&D panel discussion - Where is the PV technology going?

Moderator: Wim Sinke, ETIP PV Vice-Chairman

- Peter Wohlfart, Singulus
- Jef Poortmans, IMEC
- Benjamin Strahm, Meyer Burger Research
- Axel Metz, ITRPV
- Martin Hermle, Fraunhofer ISE
- Stefan Reber, Nexwafe
- Gerhard Strobl, AZUR SPACE Solar Power

12:45 – 14:00 LUNCH

SESSION III: Technology Game Changers for Manufacturing in Europe?

Chair: Wim Sinke, ETIP PV Vice-Chairman

14:00 Technology Game Changers

Javier Sanz, InnoEnergy

Quality Counts

Milan Nitzschke, SolarWorld

3sun: innovative advanced technology factory for pv module R(e)volution

Fabrizio Bizzarri, Enel Green Power

14:45 Manufacturers' panel

- Ernesto Macías, SolarWatt
- Philippe Malbranche, CEA-INES
- Martin Fischer, von ardenne
- Javier Sanz, InnoEnergy
- Milan Nitzschke, SolarWorld
- Fabrizio Bizzarri, Enel Green Power

15:30 COFFEE BREAK

SESSION IV: Panel discussion - Global Actors with European know-how: what makes Europe attractive for global companies?

Moderator: Gaëtan Masson, ETIP PV Vice-Chairman

16:00 Panel discussion

- Luc de Marliave, Total
- Stuart Brannigan, AEG Industrial Solar
- David Müller, Merck
- Fabrice Stassin, EMIRI

17:00 CONFERENCE CLOSING

Marko Topič, ETIP PV Chairman

17:15 – 18:30 END OF THE CONFERENCE AND COCKTAIL RECEPTION

The ETIP PV SEC project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 727272
