

QUALITY AND SUSTAINABILITY OF PV SYSTEMS CONFERENCE

3 May 2018 • BIP, Rue Royale 2-4, Brussels

3 DAYS LEFT! REGISTRATION CLOSSES 25 APRIL!

#PVQualityMatters

The Quality and Sustainability of PV Systems Conference organized by the European Technology and Innovation Platform for Photovoltaics (ETIP PV) will take place on 3 May 2018 at the BIP House (Rue Royale 2-4) in Brussels, Belgium.

The ETIP PV conference will offer the opportunity to join the industry leaders as well as top-ranking scientists, engineers and policy makers to discuss "Quality and sustainability as an asset for the European Industry".

The conference on 3 May is free to attend but space is limited. Book your seat now!

REGISTER [HERE](#) UNTIL 25 APRIL!

AGENDA AT A GLANCE

The one-day conference will start at 9:00 and will finish at 17:15. The programme will be complemented with a selected number of poster presentations.

All participants are invited to stay for a networking cocktail at the end of the conference from 17:15 to 18:00.

SESSION 1: Quality in solar PV: what can we learn from other EU and Global Initiatives?

SESSION 2: Does quality have an impact on bankability?

SESSION 3: Ecodesign, Ecolabeling and Green Procurement Policies – enabling more Sustainable Photovoltaics?

SESSION 4: Quality and reliability: experience from the field

SESSION 5: R&D&I Panel discussion – How to address quality in practice?
